Florida Polytechnic University is Florida's only public STEM university providing world-class science, technology, and engineering education to STEM-minded thinkers, makers, and visionaries. **The Florida Poly Scholars Programs** seek gifted and uniquely talented individuals who have demonstrated academic excellence in their academic journey. We have **three Scholars Programs** available. As we enter the final few weeks prior to the November 1<sup>st</sup> application deadline, I want to ensure that your exceptional STEM-minded students do not miss this opportunity.

Here is a quick summary of the programs:

- 1. Presidential Scholars (\$50,000 paid over 4 years)**  
Typical SAT Range: 1450-1600
- 2. Alexander Scholars (\$40,000 paid over 4 years, automatic admissions to 5<sup>th</sup> year Master's program, free laptop)**  
Typical SAT Range: 1330-1450
- 3. Provost Scholars (\$20,000 paid over 4 years)**  
Typical SAT Range: 1330+

You can find information on these scholars programs and other financial aid information [here](#). Florida Poly's out-of-state tuition is approximately \$21,005 per academic year. Additional information is included in this [quick reference sheet](#). Feel free to share this information as needed. Please encourage your students and their parents to contact me directly with questions. Of course, I am happy to speak with you as well if you have any questions.
