Teacher: Mrs. Johnson

Grade : 4

My name is Ashley Mejia. I am a 4th Grade student in Mrs. Johnson's class. It feels so great that Mrs. Johnson has chosen me to be the Student of the Month for November.

What does it mean to be principled? To be principled means that you know what is right or wrong. You are a fair person. I am principled because I choose to do the right things at school and at home. When I am in school, I do my classwork when I am supposed to do it. I know that I am not supposed to talk loudly in the hallways, so I do not do that. I am a fair person because I treat all my classmates kindly. I do not disrespect them. When I am at home, I do the chores that my mom tells me to do. I am not rude to her.

These are only some of the ways that I show I am principled.

Justin Valle Hercules

Teacher: Mr. Cole

Grade : 4

Hi, my name is Justin Valle, and I'm in 4th grade. I'm from Mr.Cole's class.

We learned in class that Principled is November's Learner Profile Attribute. It is important to be Principled, because if you always act responsibly by taking care of your things, that's good because you're not wasting anything.

When Mr.Cole said that I was the student of the month, I was pretty shocked to be honest. My body was ready to work hard and I was so happy that Mr. Cole chose me for student of the month.

One thing I did in my home that shows I'm a Principled person is I always take care of my school stuff, like my math book, art things, music things and more.

One thing I did in school that shows me as a principled student is I always follow the rules in school, like I don't talk in the hallway or in the school building. I am also kind to others and I never give up!
