The Expressive Elements of Music: Instruments

Mrs. B. Gortman

Our "My Musical Instrument Book" (<http://www.tlsbooks.com/mymusicalinstrumentbookb.pdf>) is divided into 4 weeks of lessons representing the Families of Instruments. Each week will explore one of the families.

1. In your packet read the brief description of a family:
Lesson 1: Percussion, Lesson 2: Brass, Lesson 3: String and Lesson 4: Woodwind
2. Sample sounds and learn more about the instruments by exploring the link:
<https://www.mydso.com/dso-kids/learn-and-listen/instruments>
3. Have them view links to familiar songs that are available on You tube (some songs may be new, but fun to watch and listen to as well).
