Kenneth Velasquez

Mrs. Johnson

Grade 4

Inquirer Student of the Month Kenneth Velasquez

Teacher(s): Mrs. Johnson Grade: 4

My name is Kenneth Velasquez. I am a 4th Grade student in Mrs. Johnson's class. I can't believe that Mrs. Johnson chose me to be the student of the month for March! I am so excited especially because the learner profile is about being an inquirer.

What does it mean to be an inquirer? An inquirer is someone who asks questions and researches to find answers for those questions. I know that I am an inquirer because I ask so many questions in class and at home. Sometimes, Mrs. Johnson gives me the answers but other times, I like to find out answers on my own. That's when I would research information. I love learning from my research because the more information I learn, the more I will know. It means that I will have more knowledge for the next grade.

My personality matches this learner profile a lot, and I'm so happy Mrs. Johnson chose me to be the March Student of the Month.

Elbin Padilla

Mr. Cole

Grade 4

Inquirer
Student of the Month
Elbin Padilla

Teacher: Mr. Cole

Grade: 4

Hi, I am Elbin Padilla and I am in 4th grade in Mr. Cole's class. We learned in class that "Inquirer" is March's Learner Profile Attribute. It is important to be an inquirer, because if we do not ask questions we will not know what are we doing. If you always try to learn and discover new things, you will be good at things. I feel excited to be the student of the month. At home, I always ask my parents questions. At school, I have researched "energy" and I learned 7 different types of energy.

Inquirer
Student of the Month
Cristopher Coto Citic

Teachers: Mrs. Donnangelo Grade: 5

I am Cristopher Coto and I am inquire! I am an inquirer because I ask a lot of questions and research answers to questions on the internet. In math class I ask a lot of questions to understand the math concepts. I also ask questions when I do not understand a story. At home I read recipes and ask my mom questions when I want to learn how to make my favorite foods. A good place to get answers to questions when no one is around is the internet. Everybody can learn to be inquirers.
