

The PowerSchool Student and Parent portal is a tool that is integrated into the PowerSchool Student Information System (SIS) that is specifically developed for parents and students.

The PowerSchool Student and Parent portal gives parents and students access to real-time information including attendance, grades and detailed assignment descriptions, school bulletins, lunch menus and even personal messages from the teacher. Everyone stays connected: Students stay on top of assignments, parents can participate more fully in their student's progress, and teachers can use their gradebook to make decisions on what information they want to share with parents and students. Below are the steps to register and log onto the portal.

Step 1: Go to the Hempstead School District website (www.hempsteadschools.org).

	Dis	strict Home	Select a Schoo	ol 🗸 📔 Trans	late 🗸				Sign In	Register Se	arch 🔍
