Dr. Stephen Strachan, Principal

Hempstead High School Smart Scholar Student Application 2024

Smart Scholars Early College High School

Through the Smart Scholars Early College High School Program, institutions of higher education (IHEs) partner with public school districts to create early college high schools that provide students with the opportunity and preparation to accelerate the completion of their high school studies while earning a minimum of twenty-four but up to sixty transferable college credits

at the same time.

Students receive additional academic support from the school/college partnerships to ensure they are at grade level and ready to participate in rigorous high school and collegiate courses. This “dual or concurrent enrollment” program serves to increase high school graduation and college completion rates while reducing student tuition costs as a result of the compressed time needed to complete a college degree.

Is English the primary language spoken in your home? ____Yes ____No

If you checked "No", what is the primary language spoken at home?

_____ (Spanish, Haitian Creole, etc.)

Grade Point Average _____

In the fall semester, I will be in grade _____

Please explain in a short paragraph, why you are interested in the Smart Scholar Program:

In pursuing an application to the Hempstead High School Smart Scholar Program, I understand that I am expected to successfully participate in the program for (4) years. Successful participation means I remain actively engaged in all summer and extended day learning and academic enrichment opportunities. Becoming a Smart Scholar may limit the AP courses you may take in the future.

Date: _____

Student ID# _____

Parent Signature: _____

Student Signature: _____

Parent/Guardian Information
