

Barack Obama Elementary School
20-Day Emergency Instructional Plan – Grade 6

Subject	Day 1	Day 2	Day 3	Day 4	Day 5
ELA	<p>Use your <i>Reading: Rehearsing and Exploring the Standards</i> book to complete the following: Day 1: Make predictions, read, and annotate, “The Mysterious Egg.” Answer questions 1-15. Be sure to complete the following for all questions:</p> <ul style="list-style-type: none"> Justify your selection for each multiple-choice question. Use RAFT for all short and extended responses. Self-assess your ability to read, annotate, and comprehend the text. <p>Message your teacher on Power Teacher your multiple-choice answers for the text. Write a paragraph reflecting your ability to complete short and extended responses.</p>	<p>Use your <i>Reading: Rehearsing and Exploring the Standards</i> book to complete the following: Day 2: Make predictions, read, and annotate, “Peale’s Marvelous Parade.” Answer questions 1-15. Be sure to complete the following for all questions:</p> <ul style="list-style-type: none"> Justify your selection for each multiple-choice question. Use RAFT for all short and extended responses. Self-assess your ability to read, annotate, and comprehend the text. <p>Message your teacher on Power Teacher your multiple-choice answers for the text. Write a paragraph reflecting your ability to complete short and extended responses.</p>	<p>Use your <i>Reading: Rehearsing and Exploring the Standards</i> book to complete the following: Day 3: Make predictions, read, and annotate, “Pocahontas Saves Jamestown.” Answer questions 1-15. Be sure to complete the following for all questions:</p> <ul style="list-style-type: none"> Justify your selection for each multiple-choice question. Use RAFT for all short and extended responses. Self-assess your ability to read, annotate, and comprehend the text. <p>Message your teacher on Power Teacher your multiple-choice answers for the text. Write a paragraph reflecting your ability to complete short and extended responses.</p>	<p>Use your <i>Reading: Rehearsing and Exploring the Standards</i> book to complete the following: Day 4: Make predictions, read, and annotate, “Rescuing Our Documents of Freedom.” Answer questions 1-15. Be sure to complete the following for all questions:</p> <ul style="list-style-type: none"> Justify your selection for each multiple-choice question. Use RAFT for all short and extended responses. Self-assess your ability to read, annotate, and comprehend the text. <p>Message your teacher on Power Teacher your multiple-choice answers for the text. Write a paragraph reflecting your ability to complete short and extended responses.</p>	<p>Use your <i>Reading: Rehearsing and Exploring the Standards</i> book to complete the following: Day 5: Make predictions, read, and annotate, “Cut the Carrots, Maestro” and “Sound Bites.” Answer questions 1-15. Be sure to complete the following for all questions:</p> <ul style="list-style-type: none"> Justify your selection for each multiple-choice question. Use RAFT for all short and extended responses. Self-assess your ability to read, annotate, and comprehend the text. <p>Message your teacher on Power Teacher your multiple-choice answers for the text. Write a paragraph reflecting your ability to complete short and extended responses.</p>
Math	<p>Use your <i>Mathematics: Rehearsing and Exploring the Standards</i> book to complete the following: Day 1: Complete Lesson 50. Make sure to show all work and explain mathematical solutions. Message your teacher through Power Teacher, self-assessing your ability to complete all tasks. Discuss your strengths and weaknesses in your response.</p>	<p>Use your <i>Mathematics: Rehearsing and Exploring the Standards</i> book to complete the following: Day 2: Complete Lesson 51. Make sure to show all work and explain mathematical solutions. Message your teacher through Power Teacher, self-assessing your ability to complete all tasks. Discuss your strengths and weaknesses in your response.</p>	<p>Use your <i>Mathematics: Rehearsing and Exploring the Standards</i> book to complete the following: Day 3: Complete Lesson 52. Make sure to show all work and explain mathematical solutions. Message your teacher through Power Teacher, self-assessing your ability to complete all tasks. Discuss your strengths and weaknesses in your response.</p>	<p>Use your <i>Mathematics: Rehearsing and Exploring the Standards</i> book to complete the following: Day 4: Complete Lesson 53. Make sure to show all work and explain mathematical solutions. Message your teacher through Power Teacher, self-assessing your ability to complete all tasks. Discuss your strengths and weaknesses in your response.</p>	<p>Use your <i>Mathematics: Rehearsing and Exploring the Standards</i> book to complete the following: Day 5: Complete Lesson 54. Make sure to show all work and explain mathematical solutions. Message your teacher through Power Teacher, self-assessing your ability to complete all tasks. Discuss your strengths and weaknesses in your response.</p>
Social Studies	<p>Complete a current event article each day. Day 1: Find an article based on a current event in New York State. You can use online news sources or a physical newspaper. Complete the current events template discussing the details of your article in your notebook or on Power Teacher through messenger. Make sure to message your teacher completed assignment.</p>	<p>Complete a current event article each day. Day 2: Find an article based on a current event in the United States of America. (National) You can use online news sources or a physical newspaper. Complete the current events template discussing the details of your article in your notebook or on Power Teacher through messenger. Make sure to message your teacher completed assignment.</p>	<p>Complete a current event article each day. Day 3: Find an article based on a current event happening internationally. You can use online news sources or a physical newspaper. Complete the current events template discussing the details of your article in your notebook or on Power Teacher through messenger. Make sure to message your teacher completed assignment.</p>	<p>Log onto Clever to access Scholastic Literacy App. Open App and search for My Books. Select the following text: Day 4: Read the text, “Ancient Egypt” and complete the comprehension quiz. Pay careful attention to vocabulary terms used throughout the text.</p>	<p>Log onto Clever to access Scholastic Literacy App. Open App and search for My Books. Select the following text: Day 5: Read the text, “Ancient India” and complete the quiz. Pay careful attention to vocabulary terms used throughout the text.</p>

Science	Use your <i>Measuring Up</i> book. Read and complete the questions related to the text. Day 1: Lesson 20 Make sure to message your teacher the completed assignment through Power Teacher when finished.	Use your <i>Measuring Up</i> book. Read and complete the questions related to the text. Day 2: Lesson 23 Make sure to message your teacher the completed assignment through Power Teacher when finished.	Use your <i>Measuring Up</i> book. Read and complete the questions related to the text. Day 3: Lesson 24 Make sure to message your teacher the completed assignment through Power Teacher when finished.	Use your <i>Measuring Up</i> book. Read and complete the questions related to the text. Day 4: Lesson 26 Make sure to message your teacher the completed assignment through Power Teacher when finished.	Use your <i>Measuring Up</i> book. Read and complete the questions related to the text. Day 5: Lesson 27 Make sure to message your teacher the completed assignment through Power Teacher when finished.
