## Message from Regina Armstrong, Acting Superintendent of Schools:

It is hard to believe shortly we will begin the 2018-2019 school year. I would like to take this opportunity to pay tribute to our administrators, teachers, and teaching assistants for being a resilient team of educators, who sincerely care and are dedicated to our students. To our Custodial and Civil Service units, our school décor and safety would not be the same without your commitment to excellence. This year, we must continue to strive to promote healthy and safe school climates conducive to learning, as we create an atmosphere of rigor and relevance that support academic success and healthy outcomes for all students.

As our students return this fall, I challenge all staff to "be ready." Our families deserve nothing less than our best when it comes to the education of their children. Our monies, talents, and resources will be used to provide our students with an equitable and fair education, so they are prepared to become highly productive citizens. Our motto is simple – Students First!

My commitment to our students will be centered on expanding opportunities for them, so they will be college and career ready. We will accomplish this by: expanding our Advanced Placement (AP) and Career Technical Education (CTE) offerings at the high school, increasing the number of students in Regent classes at the middle school, creation of Small Learning Communities/Academies in our secondary schools, aligning curriculum P – 12 vertically and horizontally and across content areas to the new standards, and by becoming candidates for the International Baccalaureate (IB) Primary and Middle Years Programs. These areas of foci are intended to help us improve our efforts to provide effective instruction and promote increased performance of all students in the District.

I invite the community to join us in this very important work. Parents and community members are critical partners in the education of our students. Students learn best when educators develop meaningful partnerships and relationships with students, parents, and the community. It may be a cliché, but it truly does "take a village to educate a child." As the Acting Superintendent of the Schools, I am extremely grateful for a supportive community of residents, parents, politicians, alumni and business partners who take tremendous pride in our school district, and truly appreciate the vision and leadership of our new Board of Education. Positive, supportive relationships are what our students need to feel and be successful.

I encourage and value input from the HUFSD community as we continue along our path to success and encourage you to periodically, check our District's website to learn about upcoming events and happenings around the district. Our goal is to continue to work in providing relevant and timely information to our students, staff, parents and community through the various links available at: [www.hempsteadschools.org](http://www.hempsteadschools.org).

If you have a question or concern, please give me a call at (516) 434-4031 and/or email me at [rarmstrong@hempsteadschools.org](mailto:rarmstrong@hempsteadschools.org).

Committed to putting "Students First!"

Regina Armstrong  
Acting Superintendent of Schools

## Mensaje de Regina Armstrong, Superintendente Interino de las Escuelas:

Es difícil creer que en breve comenzaremos el año escolar 2018-2019. Me gustaría aprovechar esta oportunidad para rendir homenaje a nuestros administradores, maestros y asistentes a maestros por ser un equipo fuerte de educadores, que sinceramente se preocupan y se dedican a nuestros estudiantes. La decoración y la seguridad de nuestras escuelas no serían las mismas sin nuestras unidades de Custodia y Empleados del Servicio Civil comprometidos con la excelencia. Para este año, debemos continuar esforzándonos por promover ambientes escolares sanos y seguros que propicien el aprendizaje, creando a la vez una atmósfera de rigor y relevancia que respalda el éxito académico y buenos resultados para todos los estudiantes.

Cuando nuestros alumnos regresen este otoño, desafío a todo el personal a "estar listos". Nuestras familias merecen nada menos que lo mejor cuando se trata de la educación de sus hijos. Nuestros fondos financieros, talentos y recursos se utilizarán para proporcionar a nuestros alumnos una educación equitativa y justa, de modo que estén preparados para convertirse en ciudadanos altamente productivos. Nuestro lema es simple - ¡Los Estudiantes Primero!

Mi compromiso con nuestros estudiantes se centrará en expandir sus oportunidades académicas para que estén preparados para la universidad o una carrera. Esto lo lograremos al: expandir nuestra oferta de Clases Avanzadas (AP) y Educación de Carreras Técnicas (CTE) en la escuela secundaria, aumentar el número de estudiantes en las clases Regentes en la escuela intermedia, la creación de Comunidades de Aprendizaje/Academias Pequeñas en nuestras escuelas secundarias, alineando el currículo de los grados Pre-escolar a 12avo verticalmente y horizontalmente y a través de las áreas de contenido a los nuevos estándares, y al convertirnos en candidatos para los Programas de Bachillerato Internacional (IB) de Primaria y de los Años Intermedios. Estas áreas de enfoques están destinadas a ayudarnos a mejorar nuestros esfuerzos para proporcionar instrucción efectiva y promover un mayor rendimiento de todos los estudiantes del Distrito.

Invito a la comunidad a unirse a nosotros en esta importante misión. Los padres y miembros de la comunidad son socios fundamentales en la educación de nuestros estudiantes. Los estudiantes aprenden mejor cuando los educadores desarrollan asociaciones y relaciones significativas con los estudiantes, los padres y la comunidad. Puede que sea un cliché, pero realmente "toma a toda una aldea educar a un niño." Como Superintendente Interino de las Escuelas, estoy muy agradecida por el apoyo de la comunidad, residentes, padres, políticos, exalumnos y socios de negocios que se enorgullecen en nuestro distrito escolar, y realmente apreciamos la visión y el liderazgo de nuestra nueva Junta Educativa. Las relaciones positivas y de apoyo son lo que nuestros estudiantes necesitan para ser y sentirse exitosos.

Yo apoyo y valoro las aportaciones de la comunidad del Distrito a medida que avanzamos en nuestro camino hacia el éxito y los animo a que periódicamente consulten el sitio web de nuestro Distrito para conocer los próximos eventos y lo que sucede dentro del Distrito. Nuestra meta es continuar trabajando para brindar información relevante y oportuna a nuestros estudiantes, personal, padres y la comunidad a través de los diversos enlaces disponibles en: [www.hempsteadschools.org](http://www.hempsteadschools.org).

Si tiene alguna pregunta o inquietud, llámeme al (516) 434-4031 y/o envíe un correo electrónico a [rarmstrong@hempsteadschools.org](mailto:rarmstrong@hempsteadschools.org).

Comprometida a poner a "Los Estudiantes Primero"

Regina Armstrong  
Superintendente Interino de las Escuelas
