# Hempstead Public Schools

## Superintendent's Message

### Dear Hempstead School District Families:

The Hempstead Union Free School District is dedicated to ensuring that all students upon graduation will be college and career ready. Empowering all learners to succeed in a global society requires commitment to excellence so that academic success is not predictable by race, ethnicity, or socioeconomic status. Last school year we implemented several enrichment opportunities to overcome the possible gaps in learning due to the ongoing pandemic. For the 2022-2023 school year, the district will continue to channel our human and fiscal resources strategically allowing our students to successfully rise to the challenge of any situation, guaranteeing they are prepared for college and life.

Stopping the spread of COVID-19 is still a concern for the district, and we will remain steadfast in our efforts to make certain our schools are healthy, safe, and conducive to learning. The district will again have an abundance of required Personal Protective Equipment (PPE) for staff and student use. We will also have plans for mask wearing, testing, monitoring students, social distancing, cleaning, disinfecting, addressing sickness within our schools, and implementing contact tracing as dictated by the Department of Health. All students will be issued a district laptop just in case we have to pivot to remote instruction.

As in previous school years, the district will continue to offer students a wide variety of well-rounded and challenging programs, such as International Baccalaureate Model (IB), Advanced Placement Courses, Smart Scholars, STEM, Career Technical Education, and the Arts. Expanding on these opportunities will give our students a chance to rise above their peers and prepare them for their future challenges of post-secondary education and life. It is also with great excitement and anticipation that the district will have the chance to address our facilities. In the next few years, portable classrooms will no longer exist in the landscape of our schools. Shortly, all students Pre - K through grade 12 will be educated in 21st century state of the arts buildings. Our ability to upgrade our facilities was made possible thanks to the overwhelming support of our community in passing the bond propositions.

I would like to take this time to thank all staff for their commitment to the progress our district is making academically. I believe the employees of the HUFSD serve all our students with dignity and respect, while holding them to the highest level of accountability in a supportive, positive, and safe learning environment. At all levels, we will continue to embed in the curriculum skills needed to excel in life, such as: critical thinking, collaboration, creativity, adaptability, and communication. However, to obtain these goals, we must have our parents as partners. As always, I welcome your comments, questions, and involvement in all aspects of our school community.

Lastly, each school year comes with predictions, optimism, and a new sense of hope for students, educators, parents, and stakeholders. The Hempstead UFSD remains dedicated to creating an educational system where student success is inevitable. Our district's transformative efforts have placed us on the right track to respond to the needs of this generation of learners, giving them a fair chance to compete and succeed in a global society. We will continue to take measures, so our students are ready to learn at their highest ability every day. Our students deserve the best! We must not settle for less than a world-class academic experience for them, as we continue our journey to "GREATER!"

Committed to greatness,

*Regina Armstrong*  
Superintendent of Schools  
#GettingtoGreater!

## Mensaje de la Superintendente

### Estimadas Familias del Distrito Escolar Hempstead:

El Distrito Escolar Hempstead se dedica a garantizar que todos los estudiantes al graduarse estén preparados para la universidad y una carrera. Empoderar a todos los estudiantes para que tengan éxito en una sociedad global requiere un compromiso con la excelencia para que el éxito académico no sea predecible por raza, etnia o estatus socioeconómico. El año escolar pasado implementamos varias oportunidades de enriquecimiento para superar las posibles brechas en el aprendizaje debido a la pandemia en curso. Para el año escolar 2022-2023, el distrito continuará canalizando nuestros recursos humanos y fiscales de manera estratégica, lo que permitirá a nuestros estudiantes enfrentar con éxito el desafío de cualquier situación, garantizando que estén preparados para la universidad y la vida.

Detener la propagación de COVID-19 sigue siendo una preocupación para el distrito, y nos mantendremos firmes en nuestros esfuerzos para asegurarnos de que nuestras escuelas sean saludables, seguras y propicias para el aprendizaje. El distrito nuevamente tendrá una gran cantidad de Equipo de Protección Personal (PPE) requerido para uso del personal y los estudiantes. También tendremos planes para el uso de máscaras, pruebas, monitoreo de estudiantes, distanciamiento social, limpieza, desinfección, tratamiento de enfermedades dentro de nuestras escuelas e implementación del rastreo de contactos según lo dictado por el Departamento de Salud. Todos los estudiantes recibirán una computadora portátil del distrito en caso de que tengamos que pasar a la instrucción remota.

Como en años escolares anteriores, el distrito continuará ofreciendo a los estudiantes una amplia variedad de programas completos y desafiantes, como el Modelo de Bachillerato Internacional (IB), Cursos de Clases Avanzada, Smart Scholars, STEM, Educación de Carreras Técnicas y Artes. Ampliar estas oportunidades les dará a nuestros estudiantes la oportunidad de superar a sus compañeros y prepararlos para los desafíos futuros de la educación postsecundaria y la vida. También es con gran emoción y anticipación que el distrito tendrá la oportunidad de prestar atención a nuestras instalaciones. En los próximos años, las aulas portátiles ya no existirán en el paisaje de nuestras escuelas. En breve, todos los estudiantes de Pre-K hasta el grado 12 serán educados en edificios de última generación del siglo XXI. Nuestra capacidad para mejorar nuestras instalaciones fue posible gracias al abrumador apoyo de nuestra comunidad al aprobar las propuestas de bonos.

Me gustaría aprovechar este momento para agradecer a todo el personal por su compromiso con el progreso académico que nuestro distrito está logrando. Creo que los empleados del HUFSD sirven a todos nuestros estudiantes con dignidad y respeto, mientras los mantienen en el más alto nivel de responsabilidad en un entorno de aprendizaje seguro, positivo y de apoyo. En todos los niveles, continuaremos integrando en el plan de estudios las habilidades necesarias para sobresalir en la vida, tales como: pensamiento crítico, colaboración, creatividad, adaptabilidad y comunicación. Sin embargo, para obtener estos objetivos, debemos tener a nuestros padres como socios. Como siempre, agradezco sus comentarios, preguntas y participación en todos los aspectos de nuestra comunidad escolar.

Por último, cada año escolar viene con predicciones, optimismo y un nuevo sentido de esperanza para los estudiantes, educadores, padres y partes interesadas. El Distrito Hempstead sigue dedicado a crear un sistema educativo donde el éxito de los estudiantes es inevitable. Los esfuerzos transformadores de nuestro distrito nos han colocado en el camino correcto para responder a las necesidades de esta generación de estudiantes, brindándoles una oportunidad justa de competir y tener éxito en una sociedad global. Continuaremos tomando medidas para que nuestros estudiantes estén listos para aprender a su máxima capacidad todos los días. ¡Nuestros estudiantes se merecen lo mejor! No debemos conformarnos con menos que una experiencia académica de clase mundial para ellos, mientras continuamos nuestro viaje hacia "¡LO MÁS GRANDE!"

Comprometida a la grandeza,

*Regina Armstrong*  
Superintendente de las Escuelas
