Hempstead Public Schools

Dear Hempstead Community,

I hope this message finds you all in good health and high spirits. Summer is always a time to relax, refresh, reflect, and renew. It is my wish that you had a fun-filled summer and were able to create new memories with your loved ones.

The Hempstead Union Free School District is making tremendous strides academically and fiscally. I would like to take a moment to say thank you to our staff for making certain our students are educated with dignity and respect, as you hold them to the highest level of accountability in a supportive, positive, and safe learning environment. Of course, our progress would not be possible without having our parents as partners; thank you for your commitment to your child's education.

It is with great excitement that I can report to our community the positive changes that are happening within our school district. First, I would like to take this opportunity to say how proud we are of the Class of 2023 for earning over \$2 million dollars in college scholarship monies to further their education. Once again, our Valedictorian and Salutatorian will be attending Ivy League Colleges this fall on a full scholarship, as well as several of our athletic scholars. We are also happy to report our middle and high school are no longer in Receivership and are now in Good Standing as per the NYS Education Department. Kudos to the students, staff, and parents of both schools; this new improved rating is due to your hard work and commitment! Your resilience and dedication to education are commendable.

The 2023-24 academic year calendar has been carefully designed to optimize student learning, have a laser-focus for professional development, and facilitate meaningful engagement with our families and community at large. This year's calendar reflects a balanced mix of instructional days, holidays, breaks, and additional activities designed to enhance the overall educational experience for our scholars.

The district is committed to utilizing our fiscal and human resources in a manner that will allow our students to successfully rise to the challenge of any situation, so they are college and career ready, as well as global minded thinkers. For the upcoming school year, the district will have a laser focus on STEM, as we continue to close the learning gap caused by the COVID19 pandemic. It is our goal to make certain our scholars are immersed in the world of STEM from Pre-K - 12th grade. Expanding this opportunity will better prepare them for their post-secondary education and life.

Our Bond and Energy Performance projects are well underway. By the end of August, the following projects will be completed: Hempstead High School Athletic Complex, roof replacements for the HHS, David Paterson, and ABGS Middle School, removal of the portables at ABGS, the start of window replacement at Jackson Main School, and boiler upgrades and replacement in some schools. We will keep the community aware of these projects via our website. These projects are just the start of our efforts to create 21st Century state of the arts facilities for our students.

I must always include in my message that it is imperative for you to continue to maintain an active and supportive role in your child's education. This year, we will be launching the parent portal districtwide. The purpose of the portal is for you to receive information in real time about your child's progress and to communicate directly with their teachers. Please stay connected to their school by utilizing this calendar, the school's webpage, email, visits, attending PTO/A meeting, Parent/Teacher conferences, and other school activities.

Let us embark on the 2023-24 academic year with optimism, determination, and a shared commitment that will provide an excellent education for all our students. Again, thank you to all our stakeholders for your unwavering support, and I look forward to another remarkable year of "GREATER!"

Warmest regards,

Regina Armstrong
Superintendent of Schools
#GettingtoGreater

Estimada Comunidad de Hempstead,

Espero que este mensaje los encuentre a todos con buena salud y en buen espíritu. El verano siempre es un momento para relajarse, refrescarse, reflexionar y renovarse. Es mi deseo que hayan tenido un verano lleno de diversión y que hayan podido crear nuevos recuerdos con sus seres queridos.

El Distrito Escolar Hempstead está logrando grandes avances académicos y fiscales. Me gustaría tomarme un momento para agradecer a nuestro personal por asegurarse de que nuestros estudiantes sean educados con dignidad y respeto, mientras los mantiene en el más alto nivel de responsabilidad en un entorno de aprendizaje seguro, positivo y de apoyo. Por supuesto, nuestro progreso no sería posible sin tener a nuestros padres como colaboradores; gracias por su compromiso con la educación de su hijo(a).

Es con gran entusiasmo que puedo informar a nuestra comunidad los cambios positivos que están ocurriendo dentro de nuestro distrito escolar. Primero, me gustaría aprovechar esta oportunidad para decir lo orgullosos que estamos de la Clase de 2023 por ganar más de \$2 millones de dólares en becas universitarias para continuar su educación. Una vez más, nuestro Valedictorian y Salutatorian asistirán, este otoño, a universidades de la Liga Ivy con una beca completa, así también lo harán varios de nuestros estudiantes atléticos. También nos complace informar que, según el Departamento de Educación del Estado de Nueva York, nuestras escuelas intermedias y secundarias ya no están designadas como "Receivership" sino como en Buen Estado. Felicitaciones a los estudiantes, personal y padres de ambos edificios; ¡Esta nueva y mejor designación se debe a vuestro arduo trabajo y compromiso! Su resiliencia y dedicación a la educación son loables.

El calendario académico para el año escolar 2023-24 ha sido cuidadosamente diseñado para optimizar el aprendizaje de los estudiantes, tener un enfoque láser para el desarrollo profesional y facilitar un compromiso significativo con nuestras familias y la comunidad en general. El calendario de este año refleja una combinación equilibrada de días de instrucción, vacaciones, descansos y actividades adicionales diseñadas para mejorar la experiencia educativa general de nuestros estudiantes.

El distrito se compromete a utilizar nuestros recursos fiscales y humanos de una manera que permita a nuestros estudiantes superar con éxito el desafío de cualquier situación, para que estén preparados para la universidad y la carrera, así como pensadores con mentalidad global. Para el próximo año escolar, el distrito tendrá un enfoque láser en STEM, mientras continuamos cerrando la brecha de aprendizaje causada por la pandemia de COVID19. Nuestro objetivo es asegurarnos de que nuestros estudiantes estén inmersos en el mundo de STEM desde Pre-K hasta el grado 12. Ampliar esta oportunidad los preparará mejor para su educación postsecundaria y para la vida.

Nuestros proyectos de Bonos y Rendimiento Energético están en marcha. Para fines de agosto, se completarán los siguientes proyectos: Complejo atlético de la Escuela Secundaria Hempstead, reemplazos de techo para la Escuela Secundaria Hempstead, David Paterson y Escuela Intermedia ABGS, eliminación de salones portátiles en la Escuela ABGS, comienzo del reemplazo de ventanas en la Escuela Jackson Main, y mejoras y reemplazo de calderas en algunas escuelas. Mantendremos a la comunidad al tanto de estos proyectos a través del sitio web. Estos proyectos son solo el comienzo de nuestros esfuerzos para crear instalaciones de vanguardia del siglo XXI para nuestros estudiantes.

Siempre debo incluir en mi mensaje que es imperativo que continúen manteniendo un papel activo y de apoyo en la educación de su hijo(a). Este año, lanzaremos el portal para padres en todo el distrito. El propósito del portal es que usted reciba información en tiempo real sobre el progreso de su hijo(a) y se comunique directamente con sus maestros. Manténgase conectado con su escuela utilizando este calendario, nuestra página web de la escuela, el correo electrónico, visitas a la escuela, la asistencia a la reunión de PTO/A, las conferencias de padres y maestros y otras actividades escolares.

Emprendamos el año académico 2023-24 con optimismo, determinación y un compromiso compartido que brindará una educación excelente para todos nuestros estudiantes. Una vez más, gracias a todas nuestras partes interesadas por su apoyo inquebrantable, y espero con ansias otro año extraordinario de "¡GRANDES ÉXITOS!"

Calurosos saludos,

Regina Armstrong
Superintendente de las Escuelas
