## To My Hempstead Union Free School District Family:

Welcome to the 2019 - 2020 school year! I hope you had a relaxing and wonderful summer. This summer the District has been extremely busy preparing for the return of our students to their classrooms. I would like to thank all administrators, teachers, and teaching assistants for being a resilient team of educators, who sincerely care and are dedicated to our students' success. To our UPSEU and Civil Service units, our school décor and safety would not be the same without your commitment to our schools. Thank you for upholding a standard of excellence that provides a climate where we are better able to promote and support students' academic achievement. I would also like to give a very special thank you to the Board of Education for making certain their efforts are aligned to creating a better future for every student in the Hempstead School District.

The District is committed to carrying out its mission of ensuring students achieve personal growth and academic success that will enable them to compete and perform in a technological society, as they become global minded citizens. In order to do so, the District must engage students, staff, family, and the community in a comprehensive, challenging curriculum, and effective instructional programs, responsive to each student's needs and aspirations in a safe and nurturing environment. As our students return this fall, I challenge all staff to "be ready and prepared to receive them." Our families deserve nothing less than our best when it comes to the education of their children. Our monies, talents, and resources will be used to better guarantee all our students receive an equitable and fair education.

Hempstead is RISING! Throughout the year, I will provide updates to the community as to the progress of the District. Right now, it should be noted that as of January 2019, the New York State Education Department provided Districts with their Accountability status under Every Student Succeeds Act (ESSA). Three of our elementary schools that had been in accountability status for three or more years, are now in Good Standing. Congratulations to Jackson Main, Front Street, and David Paterson Schools! The 2018 Grades 3-8 ELA and Math assessment results demonstrated that more students are performing at higher levels of proficiency. Our middle and high schools have met their required Demonstrable Growth for 2017-18 and are on track for exceeding their required targets for 2018-19. The high school graduation rate increased from 44% to 57% by August of 2018, and we expect this year's graduation rate to be even higher. For the first time, we had a group of eighth grade students who took the US History Regent, and we are excited to report a 100% passing rate. The rebuilding of Rhodes School is well underway and on schedule to open in the Fall of 2021. We weathered the Prospect School August 7, 2018 fire, and I am thrilled to report that Prospect has been restored beyond its original glory and is ready to receive our pre-kindergarten and kindergarten students this September. Progress indeed!

This year, we will continue to commit to expanding opportunities for all students in preparation for college, career, and life. We will attempt to accomplish this by: expanding our Advanced Placement (AP) and Career Technical Education (CTE) offerings at the high school, increasing the number of students in Regent classes at the middle school, creating Small Learning Communities/Academies in our secondary schools, aligning curriculum P-12 vertically and horizontally and across content areas to the New Generation State Standards and continue the implementation of International Baccalaureate (IB) Primary and Middle Years Programs at all elementary schools, as well as the middle school. There will also be a big focus on STEM education programs for students at ABGS in partnership with Columbia University and expanding the Dual Language and Foreign Language opportunities for our elementary students to learn a second language. All these initiatives are designed to provide a more effective instructional program for students and promote increased performance for all students in HUFSD.

The District acknowledges that at the heart of our improvements are strong partnerships with parents and community members. Thank you for your continued support! It may be a cliché, but it truly does take a village to raise/educate a child. Lastly, I encourage you to please periodically visit the District's website: [www.hempsteadschools.org](http://www.hempsteadschools.org). to learn about upcoming events and happenings around the District, as well as take time to respond to the Parent Survey, so we can gain insight about your perception of the District.

If you have any question or concern, please give me a call at (516) 434-4011 and/or email at: [rarmstrong@hempsteadschools.org](mailto:rarmstrong@hempsteadschools.org). Looking forward to another productive year!

ALWAYS... "Students First!"

Interim Superintendent of Schools

## A Mi Familia del Distrito Escolar Hempstead:

¡Bienvenidos al año escolar 2019-2020! Espero que hayan tenido un verano relajante y maravilloso. Este verano el Distrito ha estado extremadamente ocupado preparándose para el regreso de nuestros estudiantes a sus salones de clase. Me gustaría agradecer a todos los administradores, maestros y asistentes a maestros por ser un equipo resistente de educadores, que se preocupan sinceramente y se dedican al éxito de nuestros estudiantes. La decoración y la seguridad de nuestras escuelas no serían las mismas sin el compromiso del personal de las uniones UPSEU y Servicio Civil. Gracias por mantener un estándar de excelencia que proporciona un clima en el que mostramos estar en mejores condiciones para promover y apoyar el rendimiento académico de los estudiantes. También me gustaría dar un agradecimiento muy especial a la Junta de Educación por asegurarse de que sus esfuerzos estén alineados para así crear un futuro mejor para cada estudiante en el Distrito Escolar de Hempstead.

El Distrito se compromete a llevar a cabo su misión de garantizar que los estudiantes alcancen el crecimiento personal y el éxito académico que les permita competir y desempeñarse en una sociedad tecnológica, a medida que se conviertan en ciudadanos de mentalidad global. Para hacerlo, el Distrito debe involucrar a los estudiantes, el personal, la familia, y la comunidad en un plan de estudios integral, y desafiante y programas de instrucción efectivos, que respondan a las necesidades y aspiraciones de cada estudiante en un ambiente seguro y enriquecedor. A medida que nuestros estudiantes regresan este otoño, desafío a todo el personal a "estar listos y preparados para recibirlos". Nuestras familias merecen nada menos que lo mejor en lo que respecta a la educación de sus hijos. Nuestros fondos, talentos y recursos se utilizarán para garantizar mejor que todos nuestros estudiantes reciban una educación equitativa y justa.

¡Hempstead está SALIENDO ADELANTE! A lo largo del año, proporcionaré actualizaciones a la comunidad sobre el progreso del Distrito. En este momento, debe tenerse en cuenta que, a partir de enero de 2019, el Departamento de Educación del Estado de Nueva York proporcionó a todos los distritos con el reporte del Estado de Responsabilidad del Distrito bajo la Ley de Éxito para Todos los Estudiantes (ESSA). Tres de nuestras escuelas primarias que habían estado en Estado de Responsabilidad por tres años o más, ahora están en Buen Estado. ¡Felicitaciones a las escuelas Jackson Main, Front Street y David Paterson! Los resultados de los exámenes de Artes del Lenguaje Inglés (ELA) y Matemáticas para los Grados 3-8 demostraron que más estudiantes se están desempeñando en niveles más elevados de competencia. Nuestra escuela intermedia y secundaria han alcanzado su Crecimiento Demostrable requerido para 2017-18 y están en camino de exceder sus objetivos requeridos para 2018-2019. La tasa de graduación de la escuela secundaria aumentó de 44% a 57% en agosto del 2018, y esperamos que la tasa de graduación de este año sea aún más alta. Por primera vez, un grupo de estudiantes de octavo grado tomó el examen Regente de Historia Estadounidense, y nos complace informarles que todos los estudiantes pasaron el examen. La reconstrucción de la Escuela Rhodes está en marcha y la escuela abrirá sus puertas en el otoño de 2021. Resistimos el incendio de la Escuela Prospect el 7 de agosto de 2018, y nos complace informarles que la Escuela Prospect ha sido restaurado más allá de su gloria original y está lista para recibir en septiembre a nuestros estudiantes de educación preescolar y kindergarten. ¡Progreso en verdad!

Este año, continuaremos comprometiéndonos a expandir las oportunidades para todos los estudiantes con el fin de prepararlos para la universidad, una carrera y para la vida. Intentaremos lograr esto de la siguiente manera: expandiendo nuestras ofertas de Clases Avanzadas (AP) y Educación Técnica Profesional (CTE) en la escuela secundaria, aumentando el número de estudiantes en clases Regentes en la escuela intermedia, creando Pequeñas Comunidades/Academias de Aprendizaje en nuestra escuelas secundarias, alineando el plan de estudios P-12 vertical y horizontalmente y en todas las áreas de contenido con los Estándares Estatales de Nueva Generación y continuar con la implementación de los Programas de Bachillerato Internacional (IB) de Primaria y Secundaria en todas las escuelas primarias, así como en la escuela intermedia. También habrá un gran enfoque en los programas de educación STEM para estudiantes de la Escuela Intermedia en asociación con la Universidad de Columbia, y en la expansión de las oportunidades de Lenguaje Dual e Idioma Extranjero para que nuestros estudiantes de primaria aprendan un segundo idioma. Todas estas iniciativas están diseñadas para proporcionar un programa de instrucción más eficaz para mejorar los resultados educativos para todos los estudiantes del Distrito.

El Distrito reconoce que en el centro de nuestras mejoras hay asociaciones sólidas con los padres y los miembros de la comunidad. ¡Gracias por su continuo apoyo! Puede ser un cliché, pero realmente toma a toda una aldea criar/educar a un niño. Por último, le animo a que visiten periódicamente el sitio web del Distrito: [www.hempsteadschools.org](http://www.hempsteadschools.org) para que se enteren de los próximos eventos y acontecimientos en el distrito, así como también tomarse el tiempo para responder a la Encuesta de Padres, para que podamos obtener información sobre su percepción del Distrito. Si tiene alguna pregunta o inquietud, llámeme al (516) 434-4011 y/o envíe un correo electrónico a: [rarmstrong@hempsteadschools.org](mailto:rarmstrong@hempsteadschools.org). ¡Esperamos tener otro año productivo!

SIEMPRE ... "¡Los Estudiantes Primero!"
