

April 17, 2020

Dear Hempstead Community,

Pray you and your family are safe, healthy, and practicing social-distancing. We truly miss our students and look forward to the day schools can re-open.

Governor Cuomo announced yesterday (4/16/2020) in a new Executive Order that schools will be closed in New York State through May 15, 2020. Again, remote learning, childcare, and grab-n-go meals will continue until further notice (see below schedule). Please visit the District's website (www.hempsteadschools.org) for updates regarding school closure and educational contingency plans or contact your child's principal.

In addition to school closing, the Executive Order now requires all people to wear masks when out in public or when social distancing rules cannot be enforced (6' feet apart). This part of the order goes into effect 8:00pm Friday night.

Please let's all do our part to keep our country safe from spreading COVID-19. You are in our thoughts!

We will get through this TOGETHER!!
