- Your task: is to make a Word Cloud with AT LEAST 10 words on your feelings about your experiences of online learning thus far. You can include feelings on the quarantine, your activities, and interactions with family. You may include any feelings associated with your ib Principles.
- A "Wordle" or "Word Cloud" is a visual representation of text. The fun part is that you get to be creative, the academic part is that you get to show what you know. These are your 2 choices for making your Word Cloud. I recommend playing with both and seeing which features you like better.
