FLES Greek!

Our Jackson School scholars in FLES Greek recently had multiple opportunities to use their knowledge of the four seasons, the basic and advanced shapes in geometry, various clothing items, and various weather types in the Greek, Spanish, and English languages. Each student was able to use their awareness of their community to create a clothing item menu where others can be guided and stay organized in what to wear in different types of weather and different types of seasons in a year. The students used various approaches to learning skills such as thinking, social skills, self-management skills, communication, and research. Some of our scholars made real life connections to stores they shop at and made their own store name. In the projects and activities that each scholar participated, the approach to teaching skill used was differentiation as they had various ways to showcase their knowledge with others and hear from others to become open-minded citizens.

VILLAGE OF HEMPSTEAD PERFORMANCE

The Town of Hempstead got excited for the holidays. The Jackson School choir performed some holiday songs for the town. They implemented songs for Christmas, Hanukkah, and Kwanzaa.

MEET OUR STUDENT GOVERNMENT

PLEASE WELCOME OUR STUDENT GOVERNMENT FOR THE 2024-2025 SCHOOL YEAR. OUR OFFICERS THIS YEAR ARE:

PRESIDENT: SANIYAH BROWN
VICE PRESIDENT: JEREMIAS MEJIAS
SECRETARY: FLOR LEMUS
TREASURER: MADELINE CUADRAS
PARLIAMENTARIAN: SASHA BROWN
THANK YOU FOR ALL YOU DO FOR OUR SCHOOL!

BLACK HISTORY MONTH ART

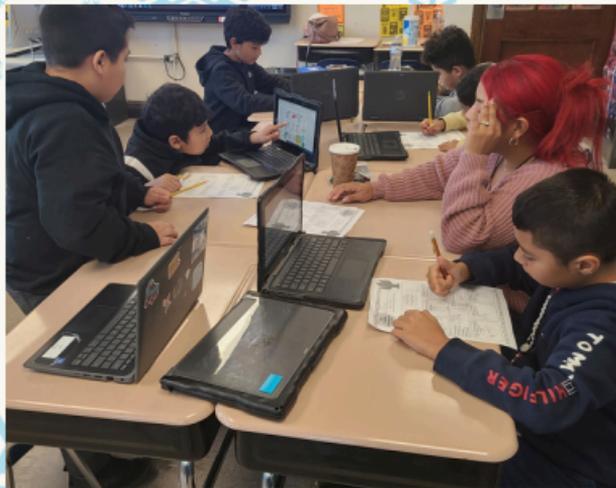

In Mrs. Iadevaia's art classes, Jackson Annex scholars learned about Alma Thomas' abstract art style as they created cut out hearts and used paint sticks to practice dashed lines using cool vs. warm colors.

Jackson Main scholars collaborated as they learned about Faith Ringgold (who passed away last year) and her art activism. We used MLK's six principals of non-violence to create a typography quilt that also communicated a message.

Caught Doing Good Work!

Shoutout to Mrs. Austin's and Mr. Kemmet's classes for working hard and challenging themselves to beat their learning goals this year!

JACKSON IB PYP SCHOOL HOLIDAY CONCERT

On December 17 2024, Jackson School had their Winter Concert. Performances were conducted by: Creative Expressions in Motion Club, Greek songs led by Ms. Panagos, songs performed by the Jackson School choir, Mr. Water's Jackson School band, and Mr. Valentin's school band. The performances were amazing and it showed how hard the scholars worked. Great job getting everyone in the holiday spirit Jackson School!

SHARE THE WARMTH

Mr. Mitnick, ENL teacher, and his family continue to build the tradition of hosting the annual coat drive at Jackson School.

Coats from all over Long Island were donated to help give coats to people in need of one for the upcoming winter. Our school government helped administer coats as well to families.

This teaches our young scholars to be giving, caring, and spreading agency to the community. Thank you Mr. Mitnick for your support!

Lunar New Year Celebration

2025

Creative Expressions in Motion Club celebrated Lunar New Year on January 30th and 31st. They ate vegetable rolls and lo mein. They also made a craft and watched a movie to celebrate. Creative Expressions in Motion is open minded and celebrates all cultures!

4th Grade Showcase

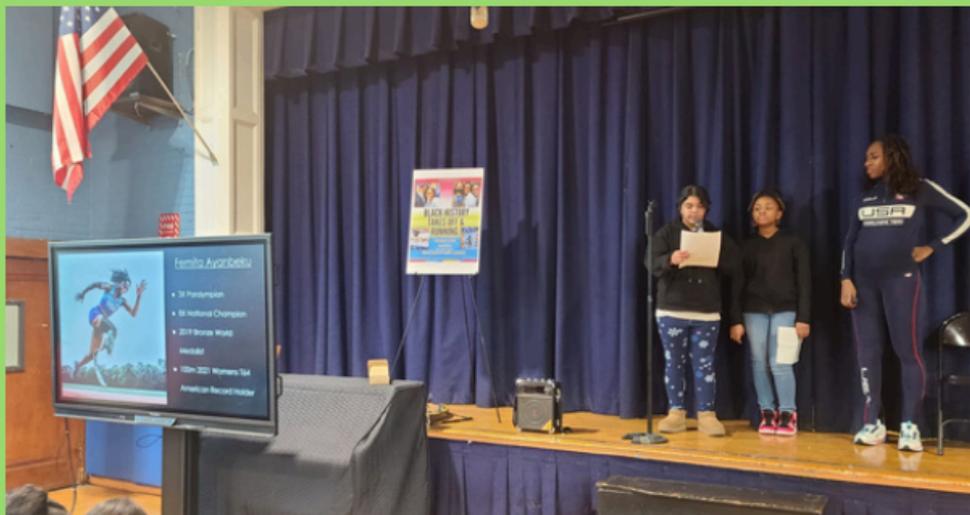

In November 2024, Mr. Bishop's 4th grade class displayed their work in the showcase.

BLACK HISTORY MONTH KICK OFF

WRITTEN BY: Amy Campos, Madeline Cuadras, Sasha Brown, Saniyah Brown, Maria Pineda and Melanie Suazo

On February 3, 2025 Femita Ayanbeku was invited to Jackson School by our Student Government body. Femita is an American paralympic athlete. We had many visitors including "Girls on the Run" from Joseph Mc Neil. We had question & answer session. Many students had a chance to ask the athlete questions. Femita shared her life story through a power point presentation. When Femita was 11 she got into a car accident. Unfortunately, she lost her right leg. At the age of 23 she received a running blade. Femita discovered her passion for running.

Femita Ayanbeku and is an American Paralympic athlete. Now, she is a personal Trainer and received a certification through ACE. This young lady gave a motivational lesson which I think will really help us in our lives.

Ms. Ayanbeku is an inspiring person who has overcome many challenges in her life. Even though she faced tough situations, she kept going and turned those struggles into lessons. Her story shows others that it's possible to rise above difficulties and achieve success. This paralympic encourages people, especially women, to be strong, face challenges with confidence and to never give up. Through her examples, she helps others believe in themselves and shows that obstacles can lead to growth and success.

The Lesson I learned was to "always believe in yourself." I learned that Femita Ayanbeku always believed in herself even when others discouraged her. Another lesson I learned was "always have faith". She had faith even when she lost her right leg.

All in all, I thought that Femita Ayanbeku had a powerful speech for "Girls on the Run", Student Government members, and the students of Jackson School.

Education for a better world
